FACTS ABOUT CANCER CLINICAL TRIALS

Have you ever wondered how new cancer treatments are developed? Join the **FACCTS** study **TODAY** to learn more about how cancer clinical trials work and why they are important.

## What do I have to do?

Participate in a one-time, 15 minute online education session. During this education, you will:

- Complete two brief questionnaires
- Watch a video about cancer clinical trials

**You will be compensated a \$5 gift card for your time**

You are eligible to participate if you are **21 years or older**

Participation in this study is **voluntary**

If you decide to participate, the information you share will be **confidential**

To participate, visit the following link:
