

# Project ACE

Advocates for Cancer Education

We'd like to invite you to a 45 minute online education study to learn more about how the HPV Vaccine can help with cancer prevention.

## What do I have to do?

Participate in a one-time, 45 minute online education session. During this education, you will:

- Complete two brief questionnaires
- Watch a video about HPV and the HPV vaccine

**You will be compensated a \$10 gift card for your time**

To participate, visit the following link:  
<https://bit.ly/ProjectACEHPV20>

You are eligible to participate if  
You are **21 years or older**

You identify as a parent/guardian of a child  
**11-17 years old**

Participation in this study is  
**voluntary**

If you decide to participate, the information you share will be **confidential**
